Welcome to Zorbee: Your Career in Care Starts Here

Zorbee is a platform built for care workers, by care professionals. Whether you're an experienced Personal Assistant or just starting your journey, Zorbee gives you the tools, support, and freedom to succeed on your own terms. From finding work and managing your schedule to accessing discounted training, financial tools, and wellbeing support everything you need is in one place.

With Zorbee's digital wallet and international FX features, managing your money is easier, smarter, and more flexible no matter where you're working from.

You're not just joining an app you're joining a movement to professionalise, protect and empower care workers across the UK.

Be Your Own Boss

Empower Yourself Through Independent Work

Work on Your Own Terms

Enjoy the flexibility to decide when, where, and how you want to work. Whether it's full-time, part-time, weekends, or evenings, the choice is yours.

Take Control of Your Career & Income

Set your own rates and take ownership of your earning potential. No caps, no limits the more you work, the more you earn.

Advertise Your Services Independently

Market your skills and experience directly to potential clients. Build a personal brand and showcase your value without relying on an agency.

Set Your Own Availability

Create a schedule that fits your lifestyle. From school runs to personal commitments, you're in charge of your calendar.

Choose the Work That Suits You

Opt in for complex or urgent care visits that match your expertise and earn higher rates. Specialised care means greater impact and better compensation.

Everything You Need In One App

Zorbee provides you with a complete digital toolkit to take full control of your work all from your smartphone.

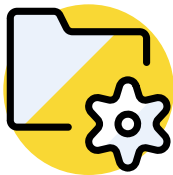

Discover and Accept Jobs with Ease

Browse a regularly updated list of care opportunities in your local area. Whether you're looking for long term assignments or short term shifts, Zorbee makes it simple to find and accept work that matches your skills and availability. Get instant notifications for urgent or highpaying jobs.

Communicate Securely with Clients

Use the in app messaging system to chat directly with clients and their families. Keep communication clear, professional, and confidential no need for personal phone numbers or third-party apps.

Access On-Demand Training, Updates, and Support

Stay current with mandatory training modules, care guidelines, and important service updates. Need help? Reach our support team through the app for fast, reliable assistance whenever you need it.

Track Visits, Tasks, and Progress Notes

Stay organised and accountable with built-in tools for logging visits, completing assigned tasks, and recording detailed care notes. All your records are securely stored and easy to access for audits, continuity of care, and personal tracking.

Manage Your Entire Schedule and Income in One Place

Plan your days with an integrated calendar that syncs all your bookings, availability, and time off. Monitor your earnings in real time, download timesheets, and keep track of payments with transparent financial reporting all within the app.

Sanus: Your Safety Net

Life's unpredictable, but your income doesn't have to be. Sanus offers discounted insurance designed for independent carers, helping you reduce financial risk and stay protected when things don't go to plan. From accidents to time off, we've got your back so you can keep moving forward with confidence.

Full Professional Liability Insurance

You're automatically insured against claims arising from the care you provide. This includes personal injury, negligence, or accidental damage, giving you protection if anything goes wrong during a visit.

Public Liability Protection

If a member of the public is injured or their property is damaged while you're working, you're covered. Whether it's a client's family member or someone in the home, Zorbee has your back.

Safeguarding Your Reputation and Career

In the event of a dispute or complaint, your insurance helps cover legal costs, ensuring you're not left exposed or alone in managing complex situations.

Work Independently, With Confidence

Insurance is one of the biggest concerns for independent carers. Zorbee removes that worry completely, so you can focus on delivering high-quality care with complete peace of mind.

Zorbee + Shoorah: Wellbeing Isn't Optional. It's Built In.

Caring for You, So You Can Care for Others

Through our partnership with Shoorah, Zorbee gives you access to built-in mental health and wellbeing tools designed specifically for care professionals.

Use the app to:

- Meditate and reset between visits
- Journal privately and reflect
- Track your mood and emotional health
- Get daily reminders to prioritise yourself

Because your wellbeing matters every day, not just on the hard ones.

Why This Matters

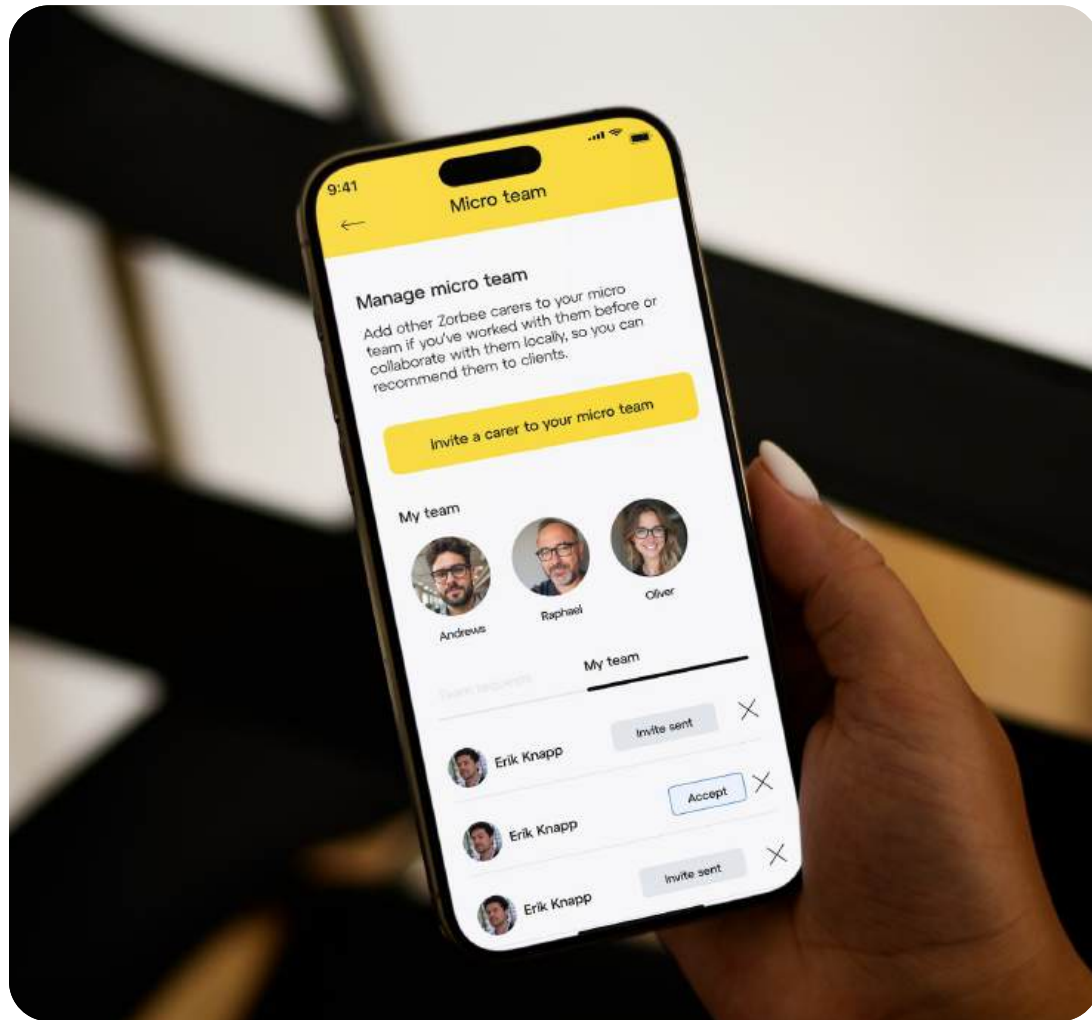

Personal assistants must juggle emotional labour, physical effort, and unpredictable schedules, often working independently.. Burnout and stress are real risks in this line of work but they don't have to be.

With Shoorah, you'll have a dedicated space for yourself, available right in the Zorbee app. Whether you're starting your day, debriefing after a challenging visit , or just need to pause and breathe Shoorah is there to help you refocus, recharge, and reconnect .

Micro Teams: You're Not Alone

Working as a Personal Assistant doesn't mean working alone. With Zorbee, you can build or join Micro Teams small groups of trusted, verified PAs who collaborate to support one another and their clients. Whether you're covering shifts, sharing complex care packages, or just need support, your Micro Team is there to help.

What You Can Do in a Micro Team

- **Share Work:** Pick up overflow hours or pass shifts to teammates you trust
- **Cover for Each Other:** Take time off knowing your client is still cared for
- **Coordinate Complex Care:** Work together on high-needs packages that require consistent, skilled support
- **Offer Backup Support:** Step in during emergencies or when a teammate is unavailable

How Zorbee Supports It:

- Create or join Micro Teams directly in the app
- Assign and reassign shifts within your team
- Communicate through secure group messaging
- Keep visibility over who's covering what without duplicating effort
- Maintain full compliance and accountability through shared logs

You stay in control of your work, your schedule, and your clients but now, you have a trusted team behind you. Because no one should care alone.

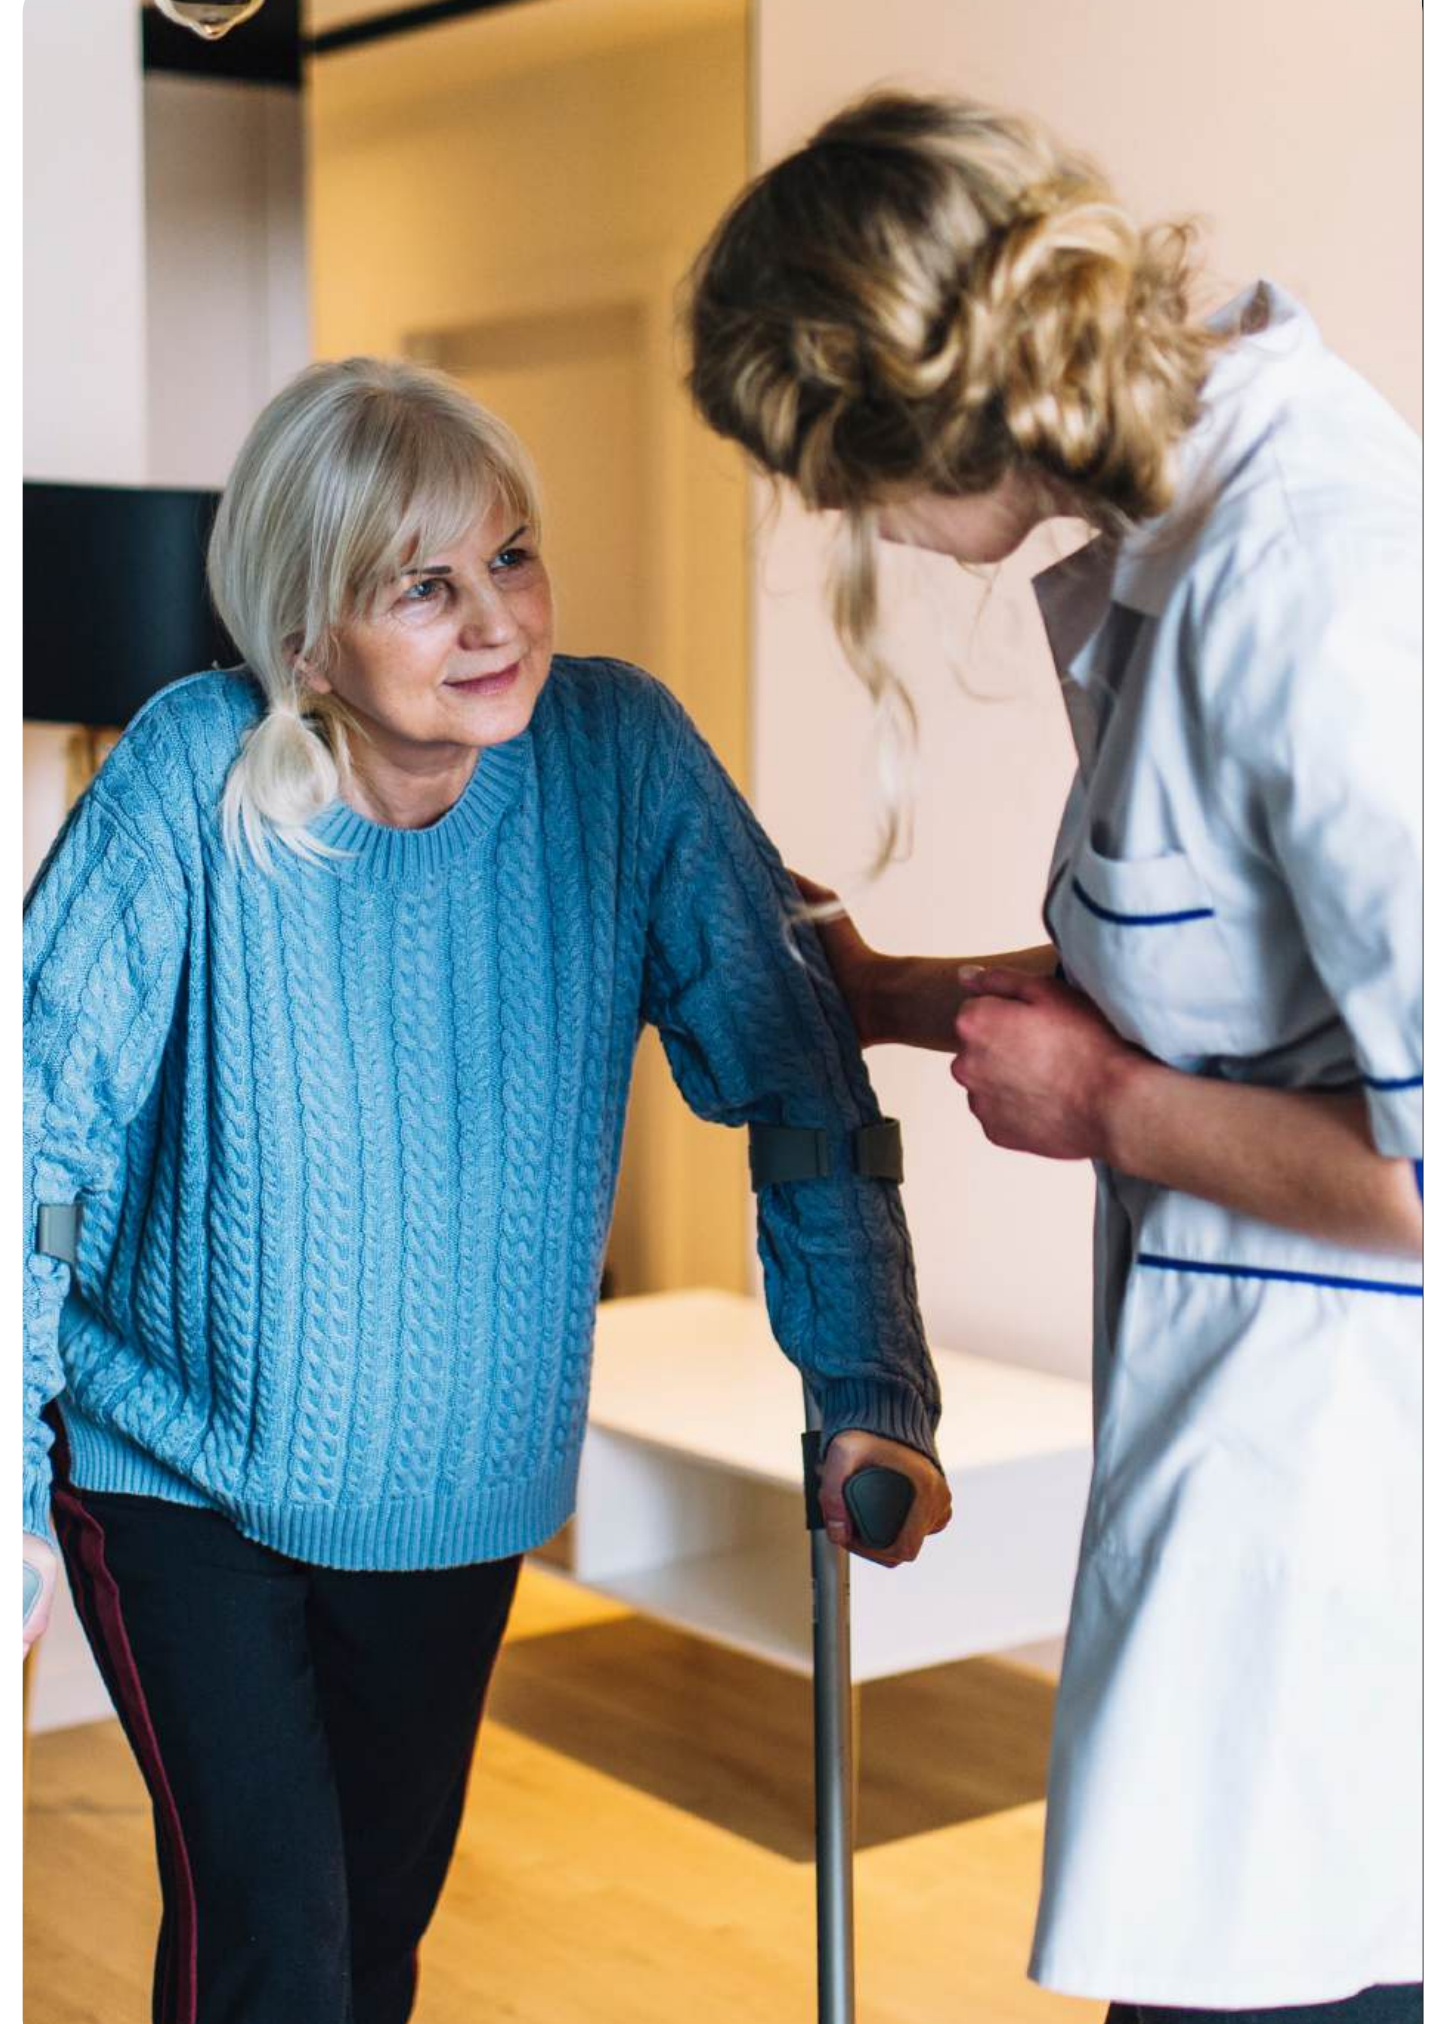

Build Your Reputation Through Zorbee

Your care matters and now it can help shape your future. With Zorbee, you have the opportunity to build a trusted, professional profile based on real feedback from the people you support .

After each care session or ongoing support package, clients and families can leave verified reviews and ratings. These are not only visible to you they are publicly shown on your Zorbee profile and visible to future clients, councils, and care providers. This means that every act of great care helps grow your credibility, your visibility, and your earning potential.

Why It Matters

- **Stand Out to New Clients:** A strong reputation means more job offers and access to premium care opportunities.
- **Grow Your Career:** Build a profile that reflects your compassion, professionalism, and consistency.
- **Take Your Profile With You:** Your ratings live in your Zorbee Passport and stay with you across roles and regions.
- **Verified by Real People:** Only people you've supported can leave feedback ensuring fairness and trust .
