Care That Fits Around You

At Zorbee, we believe that care should never be one-size-fits-all. That's why we've built a platform that puts you in control of how, when, and by whom your care is delivered so it always suits your individual needs and preferences.

With Zorbee, you can

- Choose the carers you feel comfortable with, based on their experience, personality, and client reviews
- Set your personal care preferences, including daily routines, communication style, cultural considerations, and specific health or mobility needs
- Request the same carer regularly to build consistency, trust, and a sense of familiarity over time
- Adapt your care schedule as your needs change, whether you need more support, less, or something different altogether

Zorbee gives you the flexibility to live life your way while making sure the support around you keeps up with it. Because real care is personal.

The Power to Choose

You're in Control

At Zorbee, we believe your care and support should be shaped by you not by agencies, paperwork, or other people's schedules. We give you the tools, information, and support to make confident choices about who helps you and when.

You Choose the People

We don't send strangers to your door without your say-so. You decide who supports you, based on your needs, preferences, and comfort.

Clear and Fair Costs

We're transparent from the start. There are no hidden fees, no surprise charges, and no complicated small print. What we agree on is exactly what you get.

Support That Fits Your Life

You set the time, the frequency, and the way your support is delivered. Whether it's regular assistance or help now and then, it works around you.

We're Here to Make it Simple

Our team takes care of the details organising schedules, handling the paperwork, and making sure everything runs smoothly so you can focus on living your life with confidence and peace of mind.

Simple Tools for Peace of Mind

Tools That Make Life Easier

At Zorbee, we believe that technology should make your life simpler, not more complicated. Our easy-to-use tools are designed to give you peace of mind, keep you connected, and make managing your care effortless.

Stay Connected with Your Carer

You can send and receive messages instantly through our secure system. Whether you need to confirm a visit, share an update, or make a change to your care plan, you'll always have a clear and direct line to your carer.

Helpful Reminders and Care Notes

No more worrying about remembering visits. You'll receive gentle reminders before each appointment, along with care notes afterwards, so you know exactly what was done and when.

Immediate Help When You Need It

If something urgent happens, you can raise an emergency alert in seconds. We can notify your carer, escalate support, or contact family members so help arrives quickly.

A Friendly Voice When You Need One

Our UK-based support team is only ever a call away. Whether you need technical help, reassurance, or just someone to talk things through with, we're here for you.

Your Own AI Care Companion

Think of it as a personal assistant for your care journey. Our built-in AI companion can answer questions, explain processes in plain English, and guide you through your options any time, day or night.

Shoorah: Your Space for Calm and Clarity

Wellbeing Tools with Shoorah

At Zorbee, we care about your whole wellbeing not just the practical side of support. That's why our app includes Shoorah, a calm and easy-to-use space designed to help you look after your mental and emotional health every day.

Shoorah offers a range of simple tools you can use at your own pace, whenever and wherever you like:

Journaling

A private space to write down your thoughts, reflect on your day, and keep track of what's important to you. Writing things down can bring clarity and peace of mind.

Mood Tracking

Record how you're feeling each day and notice patterns over time. This can help you understand what lifts your mood and what might be bringing it down, making it easier to share with loved ones or health professionals if needed.

Mindfulness Exercises

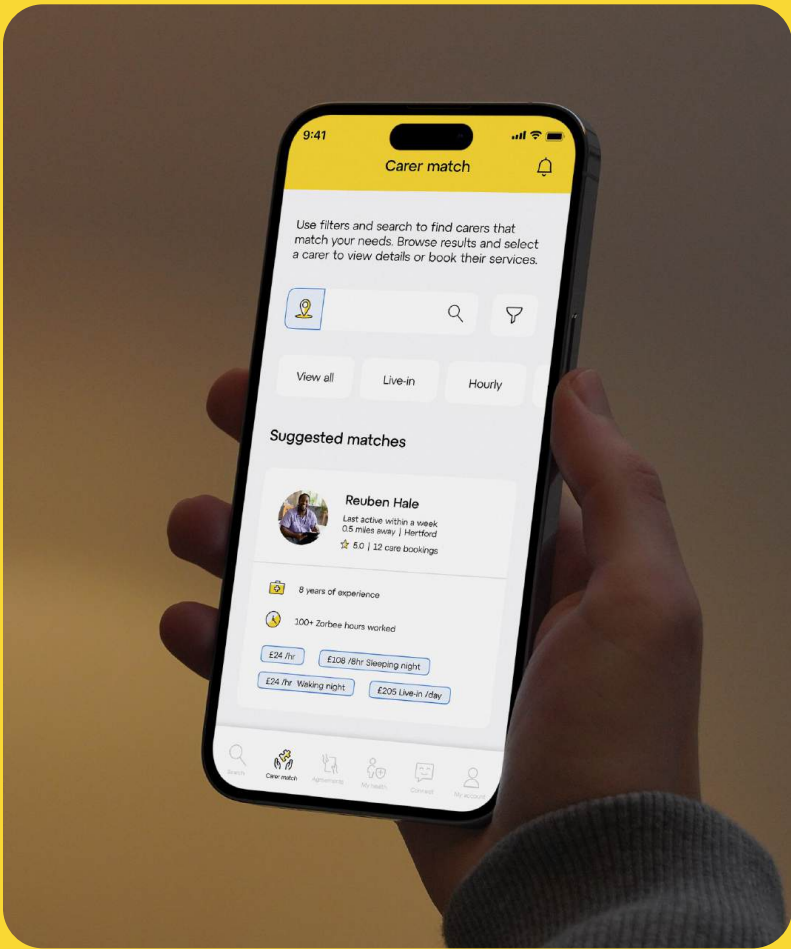

Short, guided sessions to help you relax, reduce stress, and improve focus. You don't need any special experience just a few minutes can make a real difference.

Daily Routine Support

Simple prompts and gentle reminders to help you stay on track with healthy habits from regular movement to staying hydrated so you can feel your best each day.
