# Welcome to Zorbee

Zorbee is your all-in-one platform for delivering outstanding care and running your service with confidence. We make it easier for care providers to manage their teams, showcase their services, and connect directly with councils, families, and individuals who are looking for support they can trust.

## Designed for All Types of Care Providers

Whether you operate a residential home, a nursing home, or a domiciliary care service, Zorbee helps you run things more smoothly, stay fully staffed, and keep your services visible to the people who need them.

## Showcase Your Services

With Zorbee, your organisation is visible to councils, professionals, and the public so your reputation grows and your services are easy to find.

## Fill Vacancies Faster

Our intelligent matching system connects you with qualified care professionals quickly, reducing downtime and ensuring you always have the right people in place to meet your residents' and clients' needs.

## Strengthen Your Connections

We help you build trusted relationships with local authorities, care professionals, and the people you serve, ensuring everyone has the information they need for smooth, high quality care delivery.

# The Right Staff, Right Away

## Instant Access to Qualified Care Staff

In care, every shift matters. Zorbee gives you the ability to find and book fully verified, work-ready staff the moment you need them ensuring no interruption to the quality of care you provide.

## Cover Shifts in Minutes

Whether it's unexpected sickness, annual leave, or a last-minute emergency, Zorbee helps you secure experienced staff quickly so your service continues without disruption.

## Search by Skills and Experience

Our search tools let you filter by qualifications, specific care skills, and availability, so you can find the right person for the right role at the right time.

## Fully Verified with the Zorbee Passport

Every professional on Zorbee has completed a Zorbee Passport, which includes:

- Enhanced DBS checks
- Proof of insurance
- Up-to-date training records
- Verified work history

This means they're ready to start as soon as you confirm the booking no extra paperwork, no delays.

# Fill Any Shift, Any Time

## Reliable Shift Cover, Exactly When You Need It

In care, gaps in staffing can happen at any time weekends, nights, or last minute emergencies. Zorbee makes it easy to secure short-term cover quickly, without the high costs or delays often linked to traditional agencies.

## Fast, Hassle-Free Bookings

## Share Your Live Availability

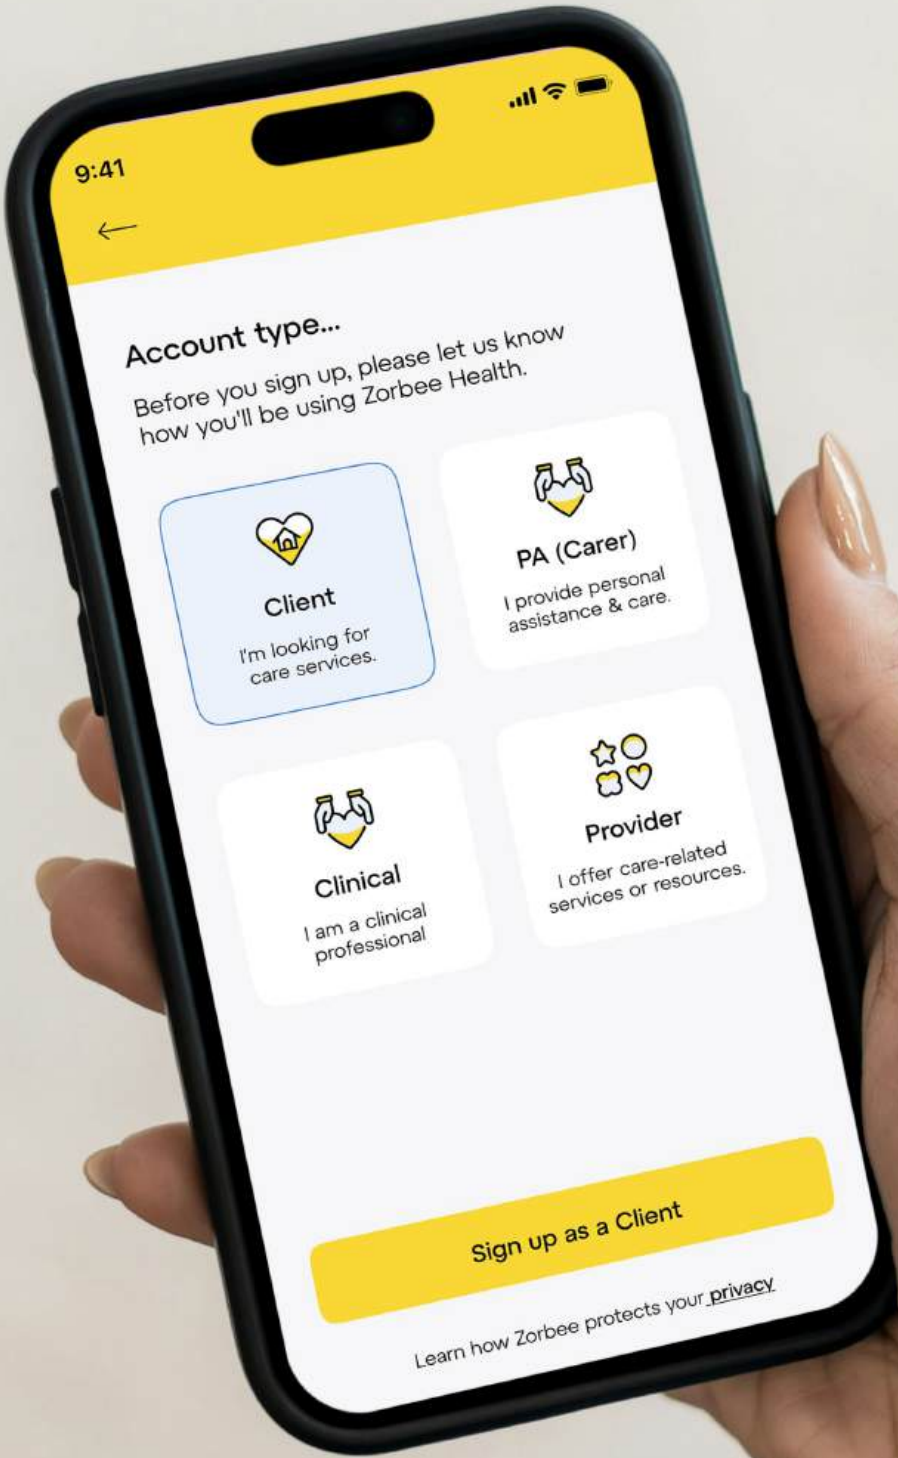

Keep councils, families, and potential clients up to date with your current vacancies. This means you can fill places faster and match with the right residents at the right time

## Highlight Your Strengths

Showcase the features that matter most to families and councils: Comfortable living spaces and modern facilities. Engaging activities and social opportunities Specialist care services tailored to specific needs

## Build Trust and Reputation

By clearly showing your strengths and availability, you not only attract new clients but also strengthen your standing in the community and with local authorities.

With Zorbee, you can share your story, showcase your quality, and make it easy for the right people to find and choose your service.

# Live Capacity Updates for Faster Placements

Keeping your availability up to date is essential for ensuring every bed or service slot is used efficiently. With Zorbee, you can update your live capacity in seconds, so councils, families, and other referrers always know exactly what you can offer.

## Update Instantly

From your phone, tablet, or computer, you can instantly record when a bed or service slot becomes available ensuring no delays in matching the right person to the right space.

## Fill Spaces Faster

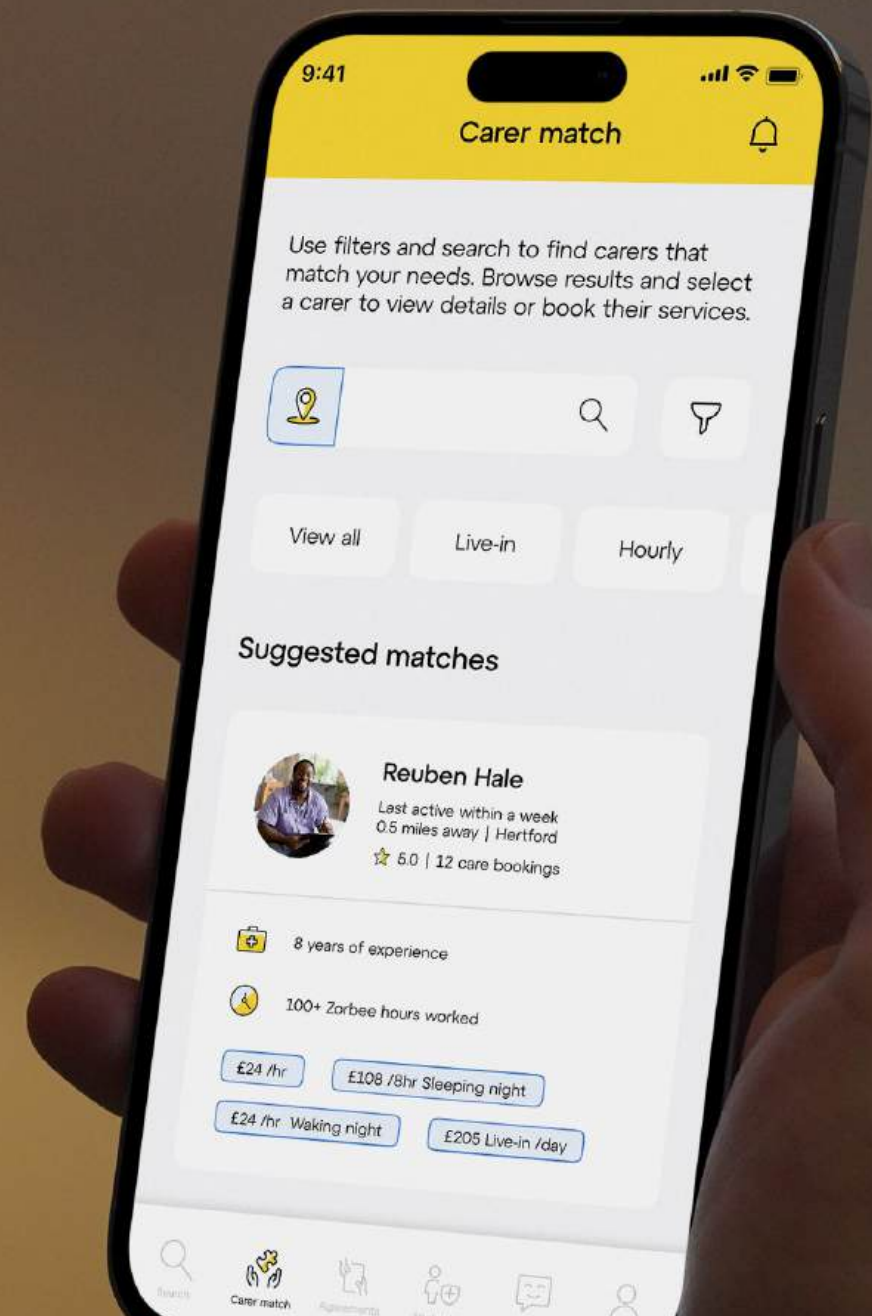

The faster your availability is shared, the sooner you can welcome new residents or clients. This reduces downtime, keeps your service running at full capacity, and increases revenue.

## Visibility in Real Time

Your live capacity is visible to local councils and other approved partners as soon as you update it. This means they can act quickly to refer suitable clients without endless phone calls or waiting for paperwork.

## Build Trust Through Transparency

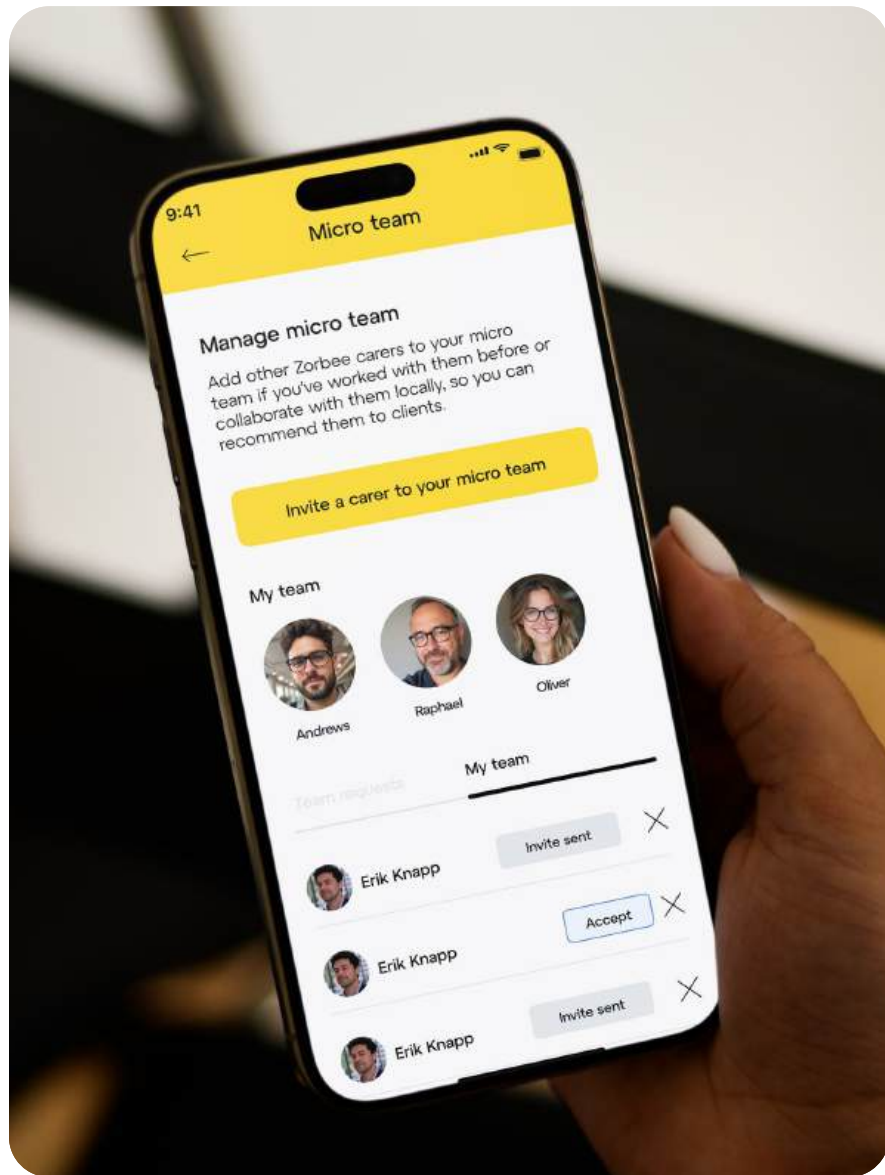

When councils and families can clearly see your availability, it builds confidence in your service. Transparency encourages more referrals and strengthens long-term relationships.

With Zorbee's live capacity tools, you'll never miss an opportunity to connect with the people who need your care most quickly, clearly, and professionally.

# Compliance Made Simple

## Affordable Compliance and Essential Services

Delivering safe, high-quality care means keeping every member of your team fully compliant at all times. Zorbee makes this process simpler, faster, and more cost-effective so you can focus on care while we help with the essentials.

## The Zorbee Passport Advantage

With the Zorbee Passport, compliance checks are carried out once, recorded centrally, and kept up to date. This avoids duplication, speeds up onboarding, and means staff can start work immediately when needed.

## Peace of Mind for You and Those You Care For

By simplifying compliance, Zorbee helps you maintain the highest standards without unnecessary cost or delay protecting your organisation and the people you support.

## Keep Your Whole Team Work-Ready

All staff connected to your service are tracked within Zorbee, ensuring their compliance records stay complete, valid, and ready for inspection at any time.

## Exclusive Discounts Through Zorbee Partners

Access reduced rates on key compliance requirements, including:

- **Insurance:** Comprehensive cover at competitive prices
- **DBS Checks:** Low-cost criminal record checks for safer recruitment
- **Training:** Affordable, up-to-date courses to keep skills current

With Zorbee, compliance is a simple, affordable part of delivering excellent care.
